PROSPECTUS

Our Motto  
**Work is Worship**

**Dr. Sree Sree Sivakumara Swamiji**

President  
Sree Siddaganga Education Society

**VISION**

To develop young minds in a learning environment of high academic ambience by synergising spiritual values and technological competence

**MISSION**

To continuously strive for the total development of students by educating them in state-of-the-art technologies and helping them imbibe professional ethics and societal commitment, so that they emerge as competent professionals to meet the global challenges

**Sree Sree Siddalinga Swamiji**

Vice President  
Sree Siddaganga Education Society

Machine Shop

Hydraulic Lab

Computer Lab

Material Testing Lab

Siddaganga Polytechnic was established in the year 1988 by Sree Siddaganga Education Society, Sree Siddaganga Math.

His Holiness Dr. Sree Sree Sivakumara Swamiji is the founder president of the society and many leading educationists and philanthropists are on the Board of Management of the Society.

The Institution has served for 25 years of excellence in training students in Technical fields and celebrated silver Jubilee in the Year 2013.

The Society has over 125 Institutions established in and around Tumkur. A College of Engineering, Institute of Management Studies, College of Arts, Science and Commerce for Boys and Girls, College of Pharmacy, College of Education, Teachers Training Institute, Pre-University Colleges and High Schools are among the Institutions managed by the Society.

His Holiness "Padmabhushan" Dr Sree Sree Sivakumar Swamiji, the founder president of the society is also the Head of Sree Siddaganga Math. Sree Siddaganga Math is one of the most ancient and renowned spiritual centres in South India. It is situated on the outskirts of Tumkur City. Dr. Sree Sree Sivakumara Swamiji is a Scholar in Sanskrit, Educationist and Religious Head. His Holiness provides free boarding, lodging and education for over 10000 students, drawn from rural areas, belonging to different castes and creeds. Swamiji has been awarded "Padma Bhushana" in recognition of his service rendered to the society, through "Trividha Dasoha"- free Food, Shelter and Education for the poor and downtrodden.

Tumkur is situated at a distance of 70 km from Bangalore, on Bangalore-Pune Highway No. 4. It is District Head Quarters with a population of over 4 lakhs. The city has all the civic amenities and is known for its salubrious climate all-round the year. The Govt. of India has declared Tumkur as a "Smart City". It is situated on Bangalore-Mumbai Industrial Corridor. Close to the city is "Vasantha Narasapur Industrial Area where large manufacturing units are coming up.

Tumkur has easy access to International Airport and has double line Railway Link up to Bangalore. The Railway line extends upto Mumbai on the other side.

There are many Pilgrim and Historical places around Tumkur. Sree Siddaganga, Shivaganga, Devarayana Durga and Kaidala are a few places of historical importance.

The Institution at present offers 3 years Diploma Courses (Semester Scheme) in the following disciplines.

- Computer Science & Engineering
- Electronics & Communication Engineering
- Mechanical Engineering (General)
- Civil Engineering
- Electrical & Electronics Engineering

The institution is approved by Government of Karnataka and A.I.C.T.E., New Delhi. The institution has a Campus of its own with excellent infrastructure for training the students.

Admission to 1 year is available for students who have passed SSLC Examination conducted by Secondary Education Board of Karnataka or its equivalent examination recognised by the Director of Technical Education, Government of Karnataka.

The students of Karnataka are required to submit the following documents in Original at the time of admission.

- SSLC Marks Card
- Transfer Certificate
- Study Certificates for having studied at least for a period of 5 years in Karnataka
- SC, ST, Rural, Group-1, Backward Class Certificate in case they belong to any one of them.
- Certificate issued by the competent authority is to be produced in support of their claim for belonging to special category.

The Non-Karnataka students have to produce:

- Eligibility Certificate issued by the Director of Technical Education, Government of Karnataka.
- SSLC/X Std. Marks Card in original
- Transfer Certificate or School Leaving Certificate in original

Computer Network Administration Lab

Hydraulic Lab

Science Lab

Electronics Lab

Electrical Machines Lab

Motor Control Lab

Pneumatics Lab

Internet Lab

**HOSTEL**

Hostel accommodation for both boys and girls is available in the Hostels managed by the Society.

**LABORATORY & WORKSHOP**

Well equipped laboratory and workshop facilities are available for training the students. Well equipped computer centres with internet facilities are available in the campus.

**COMPUTER FACILITIES**

The institution has 8 computer laboratories equipped with more than 258 PC's of latest configuration, all networked. The institution also provides Broadband Internet access to the students.

**LIBRARY**

The library has all the text books and reference books required by the students. The students are allowed to draw books and the reference section is kept open throughout the day for the benefit of the students. In addition, the institution subscribes for a number of Technical Magazines. Digital Library is established for the benefit of students.

**TRAINING & PLACEMENT CELL**

Placement Cell will help the students in their training and placements. Campus interviews are arranged by inviting well known Industrial Establishments from Bangalore and other important Industrial Cities. Industrial Training during vacation is arranged for deserving students to improve their skills.

Several companies like JSW,CENTUM, Toyota, BFW, Wipro Technologies visited this year and a number of students are selected for placements.

**ALUMNI ASSOCIATION**

Alumni Association is very active. They meet once a year and they enjoy the fellowship and during the meet they exchange views of mutual interests. The Association Organized a National Level Alumni meet during the year 2013 and 2014.

**SCHOLARSHIPS**

Scholarships sponsored by SC/ST Cell, Backward Class Cell, Minorities Cell of Government of Karnataka and scholarships sponsored by Government of India are available to the deserving students. In addition, scholarships sponsored by Educational and Philanthropist Trusts are also available to the students.

**SPORTS FACILITIES**

The institution provides facilities both for Indoor and Outdoor games at the campus of S.I.T., an institution governed by Sree Siddaganga Education Society. A well equipped Gymnasium is also available in the above campus.

**FACULTY ADVISORY COUNCIL**

The teachers are assigned with groups of students for periodic counseling. The counsellors keep the parents informed about the attendance and the general progress of students. Strict disciplinary measures are taken to maintain discipline in the campus.
